Teen Blog!!

The Teen ACTS retreat was a life changing experience for me. My life has been changed in so many ways. During the retreat I was filled with God's love. My heart was changed with the love of God and everyone around me. Because of this TACTS retreat I have opened up and let God lead me. Now I feel like I am whole . . . with the spirit of God in my heart!

Prison Retreat update

Thanks to those team members who volunteered for this unique ministry. This was the 3rd retreat at the Lemon Creek Correctional Institute. Because the retreat takes place in a maximum security prison, the structure is a bit different than the retreat held at the camp. The team must be "cleared" through the prison screening before being allowed access. The team gathers in the morning before entering the facility. They leave in the early evening. The retreat is equally as powerful for the retreatants and the team! FYI – members of the prison staff and probation offices have attended the ACTS retreat and have been helpful in establishing the retreat at the prison as a positive outreach to the inmates.

ACTS Missions teams are going to Wasilla this month!

Please pray for the retreatants and their families. We know the successes and opportunities this retreat has opened in homes, communities and church communities. It appears the seeds are being spread on fertile ground...the women have a wait list and the men will be full soon! Praise God!!
