ACTS Board Update

How are Director's Chosen? It's Not a Vote!

So they proposed two men: Joseph, who was called Barsabbas (also known as Justus), and Matthias. Then they prayed, "Lord, you know the thoughts of everyone, so show us which of these two you have chosen to serve as an apostle in the place of Judas, who left to go to the place where he belongs." Then they drew lots to choose between the two men, and the one chosen was Matthias, who was added to the group of eleven apostles. ACTS 1: 23-26

The ACTS Board is in the process of selecting the Directors for the 2008 Juneau Women's and Men's ACTS retreats. This is a spiritual discernment process in which each Board member prayerfully reviews the list of eligible Directors. Together, the Board reads the scripture above, mediates for a moment silently, then each Board member nominates one ACTS brother and sister as potential Directors. These names are then prayed over and drawn to determine the order of selection.

Please join the Board in praying for the potential Directors of the 2008 retreats, that they take this time to prayerfully discern how to answer this call in their lives and that they know they have the love and support from our wonderful ACTS community behind them!

Teen Blog!!

This year's Teen ACTS retreat was amazing. We had an awesome director and a wonderful group of people out on the retreat. I am so thankful that St. Paul's has such a powerful way to reach out to teens and let them have a weekend where God's love and forgiveness can flow freely. For a teen, often it can be hard to find God in everyday life. School comes with its challenges and it is surprising how easy it is to put God on the back burner. When I went on my first ACTS retreat I had my fire for God rekindled. I was excited about my faith again. Then, being on team this year, I was struck dumb by how much God flows through everyday people. In my mind, you had to be perfect for God to work through you, but I learned that this was not the case. I was able to see God's healing and mercy flow through others and myself while we were out at the Shrine this year, and I am still at a loss for words about how amazing the experience was. I want to thank all of the community involved in making the Teen ACTS retreat such a special time in many teen's faith journey.

God Bless, Maddie Nolan
