

SERVICE OPPORTUNITY

The ACTS Board is looking for people who want to offer SERVICE to our seniors or those who need help or may be incapable of doing some of their daily chores.

After the work party list is put together the offer be made for 'clients' to help.

Some of the types of service may include the following:

- shoveling snow
- light house work
- yard work
- cleaning gutters in the summer
- raking leaves

If the need warrants it, the service may be done as a team and have it done quickly.

If you are willing to be part of this SERVICE ministry of God's Helpers, contact Sandy at 789-7307 or email stpauls@ptialaska.net.
